

CONFIDENTIAL

RADIATION INCIDENT FORM

Report of incident involving ionising (e.g. radioactivity, x rays) or non-ionising (e.g. laser, ultraviolet) radiation.

Please notify the WSLD's Radiation Safety Officer of ANY radiation incidents, either near misses or accidents immediately via your department manager and submit this completed form as soon as practicable to the email address below. An IIMS report of the incident should also be made.

RSO Contact: David Skerrett

ph: 8890 6533
